

PRODUCT USE GUIDE FOR CLEENOL STAINLESS STEEL POLISH K19

Product Features

- Stainless Steel Polish will remove light soiling and stains.
- Deposits a fine film of protective lubricant, leaving a soft glowing finish.
- May also be used as a protective film to help prevent food and grease splatter from sticking to cooking ranges and surfaces.
- Heavier soiling should be removed with a degreaser or oven cleaner.
- Does not contain acid or abrasives and will not therefore scratch, corrode or damage surfaces.
- Non aerosol trigger pack.
- Contains mineral oil to leave stainless steel surfaces with a mirror finish.

Direction for Use

- Spray sparingly onto a cool dry surface with the grain of the stainless steel for best results.
- Wipe with a clean dry cloth.
- **Do not use on food preparation surfaces.**

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Shelf Life

- Shelf life 24 months if stored as recommended.
- Use within 6 months of opening.

Environmental Hazards

- Do not allow large quantities of neat liquid to enter surface waterways.
